The customer will pay in one week after signing the contract and the dealer will deliver the receivers in 2 days after the payment.

Performance Guarantee

We guarantee the receiver to be free from defects for **12 months** from the time of delivery or we will repair or replace the receiver according to the **HOMECAST** receiver quality guarantee documents hereunder, detailed description please refer to the document available through our website.

This contract is for Dream receiver and subscription, not for dish installation and dish equipments. All items with dish are not applicable, since the customer has installed the dish already. The dealer offers Receiver and legitimate subscription services only in this case.

Electronic Equipment Warranty

Dream Satellite TV offers customers with new **HOMECAST Digital Satellite Receiver** a **12-month** warranty from date of activations. The warranty covers parts and labor. We exchange the customers failed equipment for a remanufactured replacement receiver. Dream Satellite TV offers customers with receivers that are beyond the 12-month warranty repair service. Charges will be decided by a physical check. Call on service will be charged if the problem is caused by customer's improper usage of the equipment in the warranty period. Please read the manual and user's guide. Remote control is not included in the warranty terms.

Program Availability Warranty

Dream Satellite TV guarantees the channel availability in the 12-month subscription. Channel 16 JCTV and 17 TBN are free when subscription expires. Subscription Renewal can be accomplished in 6 hours when renewal fee is paid. Dream reserves the right to change subscription fee while channel availability is changed.

Installation Warranty (Not Applicable)

We guarantee quality workmanship for all installations completed by Dream Satellite TV and provide a free **6-month** limited warranty that covers any defects/flaws related to installation and installation materials used. Our extended warranties cover labor and materials required to replace damaged, nonworking installation materials (cable, mounting equipment) caused by natural events outside the consumers control. Extended warranties are available for purchase and are as follows:

Purchase an extended warranty
