

HYUNDAI CRYSTAL BOX SOFTWARE UPDATE

Dream is having over-the-air update of Crystal set top boxes. For information on update procedure, click on the link below.

Please call (021) 2730 9851 for more details.

UPDATE PROCEDURE

Step 1

Power on your Crystal set top box and press 'MENU' button.

Step 2

On the Main Menu Window, choose the 'System Setup' selection option.

Step 3

On the System Setup selection menu window, choose the software update option.

Step 4

On the Software Update Selection Window, choose "START" option.

Step 5

Wait for the box to scan the update version. Do not power off.

Step 6

A new window will appear showing the available "on air" software version SW 1.13. Press 'OK' for the Immediate button.

Step 7

Processing window will appear showing the update progress. Do not power off your box. This will take 3-5 minutes.

Step 8

After the update is complete, the set top box will reboot and will tune the the last known channel.
